

## CONFIDENCE

*Deep winter is it when I see  
pink flowers on a tiny tree.  
I am amazed and ask her why  
this early blooming bold  
in nights so cold.*

*The tree keeps silent  
but she blossoms in my face  
as if her gentle power may  
withstand whatever night  
that comes her way.*

'Confidence', CORJA BEKIUS (poem and painting)
